

M. ARIF IQBAL HIDAYATULLAH

Palembang, Indonesia (+62) 851-5885-1926 iqbalsfsz@gmail.com

SUMMARY

Front-end developer with experience building website using native php, html, css, and javascript. I enjoy learning about UI/UX and design in general in my free time. Decided to learn about QA at Sanbercode, where i learned various skills such as Manual testing, and Automation testing using Cypress and Selenium.
